

# DC SAIL

INSPIRING MINDS THROUGH MARITIME EDUCATIONAL EXPERIENCES

August 2022

Dear Parents and Sailors:

Welcome to the DC Sail High School Sailing Program! For those who are unfamiliar with DC Sail, our mission is to promote and sustain affordable, educational, recreational and competitive sailing programs for all ages in a fun and safe environment.

Our High School Racing Program is 100% administered by DC Sail, requiring a **\$550 registration fee per sailor, per season.** (Need-based scholarships are available.)

## **Important Weekend Regatta (League) Participation - Changes Effective Fall 2022:**

***Our regional MASSA league has been informed by the national ISSA (Interscholastic Sailing Association) administration that every school represented by sailor(s) must be enrolled with and be registered in the official "TechScore Platform." This is regardless if there is a full "team" of four or more sailors coming from their school.***

This league policy includes "Independent" sailors registered for the season, which will result in an additional fee of up to \$150 to cover the ISSA league fees if the sailor wishes to attend weekend regatta competitions and is the sole sailor from their school. Independent sailors registered with the league will be welcome to attend home and away regattas.

Example of additional fees that will be invoiced separately for three or less students from any given school: (Accordingly, fees for four or more students coming from a given school will also be split among those sailors.)

One Student	\$150
Two Students	\$75
Three Students	\$50

Full teams are four or more sailors attending from a given school and will sail under their school name. Team sailors will attend after-school practices and weekend regattas and if the team performs well, may be invited to the end of season regattas/finals based upon league standings.

For sailors registered to include weekend regatta activity, DC Sail will coordinate the ISSA registrations, and will manage any communications as the primary point of contact. Separate invoices will be issued to parents.

**With that said, we have opted to include a registration level that will allow sailors to attend the after-school practices during the week, but without committing to the league (weekend regatta) participation and additional league fees.**

The number of spots available with our program is limited. Be sure to have completed the online registration and issued full payment. To complete the registration process, sailors are required to present the following hard-copy registration documents to Coaching staff at tryouts or on the first day of practice.

**Deadline for online registration is Thursday, August 18, 2022, as capacity permits. We have sold out to capacity for the last several seasons and suspect this season will be similar. DC Sail will not offer “pro-rated” discounts or refunds once the season has commenced. Sailors are required to be fully committed to complete the season prior to registration. (Late registrations will be considered on a case-by-case basis and based on availability. No discounts are available for late registrations.)**

Practice days and the regatta schedule will be emailed to parents/sailors and posted to our webpage once confirmed.

Please carefully review the following COVID-19 Health and Safety Protocols and Policies for the duration where COVID-19 continues to be an issue.

We look forward to working with parents and sailors!

With best regards,

Traci Mead

### **COVID-19 Health and Safety Protocols and Policies**

DC Sail is dedicated to the health, safety and wellbeing of our youth sailors and their families. With the guidance of US Sailing, CDC, and local governmental health entities, we have developed strong sanitation and procedural protocols.

#### **Health and Wellness Protocols:**

If a sailor is not feeling well or have other members of the household who are ill, they will not be permitted to attend practices or any regatta activities. We will be unable to provide partial refunds for missed days during the season, which has always been our policy and is especially important this year.

Any sailor not feeling well or with a temperature while at DC Sail will be isolated, parents contacted, and sent home as soon as possible.

Any sailor that has positive tested for COVID-19, or has been in close proximity to someone who has the virus, will be unable to attend and only permitted to return to the program after they are fully cleared by a physician and be able to present a documented negative COVID-19 test. No refunds will be issued.

In the case of a positive test for COVID-19 or self-quarantine due to exposure to the virus, notification to DC Sail of the sailor's situation should be relayed to DC Sail as soon as it is confirmed.

#### **Life Jackets:**

All sailors will be required to have their own personal life jackets.

**Suggested Life Jacket Resources:** [Please click here](#) for the West Marine website that sells the same Life Jackets that we previously shared with sailors. It is less than \$25 and is perfectly fine and USCG approved. You're welcome to shop for “sportier” models too – just look for USCG approved inshore Life Jackets. You do not need the more expensive offshore/inflatable types of jackets. There is a West Marine store in Alexandria that is open for foot traffic. Other retailers may include Amazon, REI or Dick's Sporting Goods as possible options. Recommend you contact their stores to inquire about available stock. “Fanny Pack” type of Life Jackets are not permitted.
