Dear Parents and Sailors:

Welcome to the DC Sail High School Sailing Program! For those who are unfamiliar with DC Sail, our mission is to promote and sustain affordable, educational, recreational and competitive sailing programs for all ages in a fun and safe environment.

Our High School Racing Program is 100% administered by DC Sail, requiring a **\$550 registration fee per sailor, per season.** (Need-based scholarships are available.)

Important Weekend Regatta (League) Participation Changes Effective Spring 2022:

Our regional MASSA league has been informed by the national ISSA (Interscholastic Sailing Association) administration that every school represented by sailor(s) must be enrolled with ISSA as an official "team" and be registered in the official "TechScore Platform."

This includes single "Independent" sailors registered for the season, which will result in an additional fee of up to \$150 to cover the ISSA league fees if the sailor wishes to attend weekend regatta competitions and is the sole sailor from their school. Independent sailors registered with the league will be welcome to attend home and away regattas.

Example of additional fees that will be invoiced separately for three or less students from any given school:

| | |
|----------------|-------|
| One Student | \$150 |
| Two Students | \$75 |
| Three Students | \$50 |

Full teams are four or more sailors attending from a given school and will sail under their school name. The cost of the league fees will be shared equally by those families. Sailors will attend after-school practices and weekend regattas.

Once registration and the rosters are filled, we will contact parents to advise of what their additional fees will be in order for their sailor(s) to participate in weekend regattas. DC Sail will coordinate the ISSA registrations, and will manage any communications as the primary point of contact.

With that said, we have opted to include a registration level that will allow sailors to attend the after-school practices during the week, but without committing to the league (weekend regatta) participation and additional league fees.

The number of spots available with our program is limited. Be sure to have completed the online registration and issued full payment. To complete the registration process, sailors are required to present the following hard-copy registration documents to coaching staff at tryouts or on the first day of practice.

Deadline for online registration is Thursday, February 17, 2022, as capacity permits. We have sold out to capacity for the last six seasons and suspect this season will be similar. DC Sail will not offer “pro-rated” discounts or refunds once the season has commenced. Sailors are required to be fully committed to complete the season prior to registration. (Late registrations will be considered on a case-by-case basis and based on availability. No discounts are available for late registrations.)

Practice days and the regatta schedule will be emailed to parents/sailors and posted to our webpage once confirmed.

Please carefully review the following COVID-19 Health and Safety Protocols and Policies for the duration where COVID-19 continues to be an issue.

We look forward to working with parents and sailors!

With best regards,

Traci Mead

COVID-19 Health and Safety Protocols and Policies

DC Sail is dedicated to the health, safety and wellbeing of our youth sailors and their families. With the guidance of US Sailing, CDC, and local governmental health entities, we have developed strong sanitation and procedural protocols as we reopened our operations and continue to have in force. All staff are fully trained in these procedures, will be wearing face coverings, and sanitizing equipment, docks, surfaces, and the fleet after each usage.

With concern for the health and safety of your sailor, other students, and our staff, as you prepare for the season and for the duration, we respectfully request that sailors follow the COVID-19 recommendations for wearing face coverings in public where required, wash hands frequently, and please limit time spent in large groups.

Please review the following COVID-19 information carefully for how we will manage our program to assure a safe environment for your sailor:

Life Jackets and Face Coverings:

All attendees are required to wear face coverings while on the docks, which can be removed while on the water if fully vaccinated and/or sailing with a sibling. All sailors will be required to have their own personal life jackets.

Health and Wellness Protocols:

If a sailor is not feeling well or have other members of the household who are ill, they will not be permitted to attend practices or any regatta activities. We will be unable to provide partial refunds for missed days during the season, which has always been our policy and is especially important this year.

Sailors (and Staff) may have noncontact temperature screenings upon arrival. Any sailor not feeling well or with a temperature while at DC Sail will be isolated and sent home as soon as possible.

Any sailor that has positive tested for COVID-19, or has been in close proximity to someone who has the virus, will be unable to attend and only permitted to return after they are fully cleared by a physician and a documented negative COVID-19 test. No refunds will be issued.

In the case of a positive test for COVID-19 or self-quarantine, notification to DC Sail of the sailor's situation should be relayed to DC Sail as soon as it is confirmed.
